Dear Parents/Carers,

Co-Vid-19 – Coronavirus Information

I would like to reassure you that we are following all government advice with regards public health over Co-Vid-19 (Coronavirus). This has included:

- Speaking to the children in assembly and class about good hygiene measures; washing hands for 20 seconds, using tissues to catch germs etc.
- Following our good cleaning regimes of the school each day

I am trying to keep business as usual and any fear as low as possible due to the current low risk to our pupils. Thank you for continuing to send children to school as normal.

We will continue to follow advice from national and local government, Public Health England, and our Multi-Academy Trust (Synergy); I am receiving daily updates from the Department of Education. In the event of staff shortages I will discuss measures with the leaders of our Trust to try and minimise disruption to pupils and families. Hopefully any 'containment' and 'delay' strategies put forward by our government will help to minimise the impact of CO-Vid-19 on our community.

Please follow Public Health advice found at the following:

Yours sincerely,

Adam Mason
