

Dear FJS families,

This **Friday 13<sup>th</sup>** is **Children in Need** and many of our pupils have been asking what we are doing this year, after two years of huge success, through your generosity and amazing fundraising efforts.

However, we know that this year, due to the pandemic, that things have been particularly tough and that we may not have the same ability to donate as we have before.

So with this in mind, we are asking if you could just .....

***'Give what you can - as every little helping paw, can make a difference'.***

Here is the plan...

### ***The Family Challenge – The School Challenge – The Donation***

Please bring whatever **donation** you can – no matter how small – to school this Friday, which we will then keep until it is safe to count next week.

We believe you deserve to take part and enjoy a day with Pudsey.

***Your little helping paw can make a difference.***

Thank you.

#### **Family Challenge**

Take part in a section of Joe Wicks 24 hour PE challenge with your family members.

9.25am on Thursday 12<sup>th</sup> -  
9.25 on Friday 13<sup>th</sup>

Take photos and send your videos of your family workout, to share at school. (Remember your warm-ups before hand!)

#### **School Challenge**

Class PE Workout!  
Non-uniform on Friday, so you can wear PE clothes decorated with spots, yellow and anything Pudsey!

Look out your headbands and leg warmers, ready to exercise to the groovy tunes, with your teachers.

**Thank you  
FJS**
