

Dear Parents,

The "Friends" would like to extend their thanks to everyone who has supported the events running this term. We have raised together £760.

This week organised by the “Friends” and very generously donated by Kinnerton, students are being gifted an Easter egg. They will be bringing these home today.

We are hoping to arrange a Table Top sale soon, keep an eye on our Facebook page for information.

Lastly with the coronation in May, students will each receive a commemorative magnet.

We do have more for sale at £1 each for siblings, family and friends.

Thank you again for your support.  
Friends of FJS
