Be the best YOU can be

Friday 3<sup>rd</sup> October 2025

Dear Parents/Carers,

This week has included some great 'extras' to our curriculum and our offer to you and the children.

The Y6 children have had the opportunity to do the 'bike-ability' course, to make sure they have been trained in safe cycling on the road. I hope they all put what they have learnt into practice. The vast majority of the children have been sensible and taken the most from this opportunity.

Both schools have had their Harvest Festival Assembly, where we have welcomed Reverend Tracey from Fakenham Parish Church into our schools. This annual tradition helps children to remember not to take the food and water we have for granted. Thank you for the donations of food which will help those families who are finding it tough from time to time. We are now setting up a mini 'foodbank' at FJS, the same as the one we currently have at FINS, so that we can support more of our school community. We will be asking supermarkets to support us along with parents and staff. If you can afford to give, then both schools would welcome the following donations any time:

- tins and packets of food with a long best before date
- boxes of cereal with a good date
- toiletry items - shampoo, shower gel, toothpaste etc.
- 'baby' items (like nappies, wipes etc)

These are for short term emergencies, if you find yourself in need then drop in and take what you need. If you need more help, speak to us as we can refer you to the town foodbank for a larger amount of help.

Finally, thank you to the parents, early years children and older siblings, who attended the Early Years trail on Wednesday night. It was lovely to get a good turnout. The staff loved doing it (thank you for their support) and from your feedback, you all loved it too!

Please look out for further opportunities to engage in the learning life of our schools - we are here to teach your children and support you to help them too.

Have a great weekend,

Adam Mason
