

Curriculum Information

On our website we have the curriculum overviews for each year group.

RSE (Relationships and Sex Education)

This is part of our SCARF curriculum and is called either PHRSE or Life Skills. On the website are two documents which detail our curriculum.

RE (Religious Education)

Information about the curriculum is available on the overviews. Parents have a right to withdraw their child from RE. If you wish to do this please contact the school office and a member of the school leadership team will contact you to discuss the request.

Remote learning provision

We will only use remote learning if a class or school closes on a day when the school should be open. Staff may share links to online learning sites and videos, share videos or PowerPoints of lessons which include teaching and tasks or share documents with information about the learning required.

At FINS the information will either come via SeeSaw or by emails to parents. At FJS the email will be sent to the child's school email account or to parents directly.

The schools will follow the DfE guidance for the daily amount of learning required to be set.

The schools will not set remote learning when a child is ill or being taken out of school for another reason by the parent- i.e a holiday

Further Information

If you would like further information about our curriculum in your child's class then please speak to your child's class teacher in the first instance. You can also contact leaders at each school:
